All application materials, including references and writings are to be submitted online through the Graduate Admissions website: [Graduate College Application Form](#).

At the Graduate College website, you will set up your application account, pay the application fee (credit card required), and you will be required to have official transcript(s) sent from all colleges attended OTHER THAN the University of Iowa (UI transcripts are supplied automatically). Note your Hawk ID and UI-ID number, as you will need to provide IDs on the following items. You will also have the opportunity to upload unofficial transcripts.

This is a list of everything that needs to be completed and uploaded by the deadline:
- The School of Social Work MSW Supplemental (Departmental) Data Form
- Statement of Purpose
- Essays A and B
- Resume including relevant employment and volunteer experience.
- Three completed reference forms, including at least one academic and one employment-based, if applicable, submitted online by the reference writers. References from professional settings are recommended.
- Unofficial transcripts from all colleges attended other than the University of Iowa, and record of current registration, if currently attending.
- Additional essay for Hybrid Online applicants

Details regarding written requirements are detailed in the Admission [Policy Statement](#) beginning on page 5, section III. D. Your admission file is not complete until we receive all items listed above. It is your responsibility to ensure that all materials including references and academic records are supplied by the deadline as noted above. You may check the status of your application in your MyUI after you begin applying.
Once you have begun the application process, if your situation changes in any way that might affect your intention to become a student or if you change your address, phone number or email address, please log into MyUI with your application account and make these changes as soon as possible. If you are enrolled in classes at the time of the application deadline, we will need to see a registration report for that current semester, and all transcripts with grades for courses completed after the initiation of your application, if applicable. Also, see Quick Guide to apply.

Again, thank you for your interest in The University of Iowa School of Social Work. We look forward to receiving your application materials.

Sincerely,
