

The Davenport Community School Districts seeks to **contract** out school-based therapy services to students. The individual in this role must have an LISW , LMHC, LMFT, or an LMSW while under the supervision of an LISW. In addition, we also seek to find a school-based therapist to serve our preschool aged children.

Clinicians will provide therapy to students in their buildings, during school hours and an MOU will be provided.

Clinicians must have the ability to bill Medicaid, Amerigroup, Iowa Total Care, and other major insurance policies. The following skill sets are desired.

- 
- Experience providing therapeutic services to children, youth, and families
- Excellent organizational skills and ability to function independently
- Excellent written and verbal communication skills
- Ability to form working relationships with clients, families, school staff and other treatment providers.

Experience working with families of diverse ethnic, cultural, and socioeconomic backgrounds strongly preferred.
