

Christensen-Klein Scholarship for Social Work Students

The Christensen-Klein scholarship is to support one undergraduate and one graduate social work student. **The criteria for the award is to deserving students enrolled in the SSW who demonstrate merit and are in good academic standing.**

The Christensen-Klein Scholarship was established in 2021 by Martin P. Klein (83MS) out of gratitude for the world-class educational experience he gained from the University of Iowa. This scholarship is named in memory of Marty's friend, John Christensen (83MS), a fellow Hawkeye fan who passed away in 2019 and is remembered for his humor, kindness, and dedication to his family. Marty was also inspired to create this scholarship in honor of his children, Rachel (Klein) Melhorn and Sam Klein, who have dedicated their lives to helping others through their careers in social work and psychology, respectively. The scholarship supports deserving students in the UI School of Social Work who reflect the values of these influential people in Marty's life by helping others through their careers.
