Innovations in Teaching (Other Teaching Contributions)***Innovations in Teaching***

- 2018-Present **Master's level licensure exam preparation** Developed a series on online seminars to prepare students to take the graduate-level licensure exam while reducing test anxiety
- 2022 **Development of new course: SSW:6100 Thinking Like a Social Worker** Collaborated on a new course design group as part of our graduate curriculum redesign.
- 2017 **SSW:3799:0EXV Professional Writing for Social Workers** Converted a traditional classroom design to a fully asynchronous, modulated course design.
- 2017 **SSW:3840:0EXW Human Behavior in the Social Environment** Converted traditional classroom-focused design to the online environment. Implemented a "flipped" classroom environment for synchronous and asynchronous student engagement.

Intramural Teaching Activities

- 2017 **SSW:6145 Organization & Community Practice**, Created video content for social media assignment, demonstrating the use of popular social media platforms in promoting social justice interventions.
