

Edison Eating Disorder and Mental Health Services hiring for a Provisionally Licensed Therapist with interest in Eating Disorders.

Edison Eating Disorder and Mental Health Services is seeking a provisionally licensed therapist with an interest in treating eating disorders. We are a small, dynamic, and specialized practice with therapists and a dietitian. Spring graduates are welcome to apply. More information about Edison at www.edisonedmh.com

Clinical Duties:

- Maintain individual caseload of clients (20-25 p/ week recommended)
- Documentation, case notes, and charting to support caseload.
- Consultation and collaboration with other providers, including other Edison staff, outside medical providers, and higher level care facilities, as necessary to support caseload.
- Participation in individual and group supervision.
- Participation in continuing education and trainings.

Requirements:

- Provisional license such as Licensed Master Social Worker (LMSW) or Temporary Licensed Mental Health Counselor (T-LMHC)
- Work-related experience (or internship experience) in private practice or a clinical setting, individual, family and group therapy as well as psychosocial assessment preferred
- Thorough knowledge of mental health diagnosis, and a variety of psychotherapeutic approaches, with specific interest in eating disorder treatment.
- Responsible, professional workplace presentation.
- Timely completion of notes and documentation.

Job Details:

- Ability to set and maintain your own schedule, supported by supervisor. 20-25 clients weekly recommended.
- Supervision towards full licensure and eating disorder specialization training provided.
- Employed as an independent contractor. Benefits not provided.
- Payment based on services rendered. Expected take home pay \$85,000-115,000 annually.

About the owner:

Kim Tallon, LISW, CEDS-C, is a Licensed Clinical Social Worker, a Certified Eating Disorder Specialist and an IAEDP Approved Supervisor specializing in eating disorder treatment and related mental health concerns. Kim is the only Certified Eating Disorder Specialist in the Des Moines metro. She has nearly a decade of clinical experience in the field working in both outpatient settings and higher levels of care.
