

GRADUATE ASSISTANTSHIPS
SCHOOL OF SOCIAL WORK
2024-25

The School of Social Work is advertising for graduate teaching assistantships for the fall and spring semesters of 2024-25. Some of these will be new appointments, while others may be renewed. Assistantship positions are quarter-time (10 hours per week) and are located in Iowa City unless otherwise indicated. **Due to the uncertainty of state appropriations and departmental budgets at this time, some assistantships may not be filled or delayed in being filled until the positions can be funded.**

Teaching assistants assist faculty with course instruction. We anticipate having at least 8 teaching assistantships available. Duties may include providing assistance in conducting library searches, test preparation, grading assignments and/or tests, lecture preparation, coordination of field or volunteer activities, and conducting review sessions. Qualifications include completion of prerequisite courses and the ability to communicate verbally and in writing. Some courses require more specific duties and/or qualifications. Detailed information for each teaching assistant position will be available in the packet of application materials. It is anticipated that the following courses will have a teaching assistant assigned: **SSW Practicum, Social Justice and Social Welfare in US, Introduction to Social Work Research, Aging Matters, Human Behavior in the Social Environment, and Intro to Trauma and Resilience.**

Application packets for graduate assistantships will be available electronically, beginning Friday, March 1, 2024. **The application deadline is Monday, March 18, 2024.** Application materials should be returned to Chuck Wieland, Administrator, electronically at charles-wieland@uiowa.edu. Please feel free to contact Mr. Wieland at 335-1263 or charles-wieland@uiowa.edu if you have any questions regarding these assistantships.

The terms and conditions of employment, including but not limited to wages and benefits, in these positions are governed by a collective bargaining agreement between the Board of Regents, State of Iowa, and UE Local 896/COGS, the union representing graduate teaching and research assistants at the University of Iowa. Copies of this collective bargaining agreement will be provided upon your appointment and may be viewed either from the University web site:
